

DILEMMAS & DEBATES IN COLORECTAL SURGERY

KING'S
College
LONDON

12-13th December 2014

The Strand Campus, King's College London
London, WC2R 2LS, United Kingdom

We would like to invite you to attend the 2nd winter conference held by King's College London in association with The International University of Colon And Rectal Surgeons (ISUCRS - Northern European Chapter).

This conference aims to address difficult situations, controversies and problems in colorectal surgery which will be relevant to your practice. In addition to a full second day of didactic lectures, the programme for the first time will also include a debate session covering topical issues in colorectal surgery.

Why not join us in December 2014 in the heart of London and combine this wonderful educational opportunity with pre-Christmas shopping or perhaps a theatrical show at the end of the evening in the West End!

Mr Joseph W. Nunoo-Mensah, Consultant Colorectal & Laparoscopic Surgeon, King's College Hospital, London, UK, Regional Vice President (ISUCRS), Northern Europe - England

Professor Narimantas E. Samalavicius, Chief of Clinic of Oncosurgery, Oncology Institute of Vilnius University, Vilnius Lithuania President of the Lithuanian Society of Coloproctologists Associate Director General (ISUCRS).
