1st Announcement

Welcome Address

Dear colleagues,

It is my pleasure and honour to invite you to participate in the 7th Biennial Congress of the MSCP, which will take place at Makedonia Palace Hotel in Thessaloniki, Greece on April 22th - 24th, 2010.

The Mediterranean Society of Coloproctology (MSCP) was established in Rome in March, 1998 aimed at promoting our specialty in all the Mediterranean countries.

The Organizing Committee is planning a very stimulating scientific program, covering all the latest research projects and clinical practice in the field of colorectal surgery. The Congress will provide a forum for interdisciplinary discussion as well as the sharing of ideas on the most recent developments in colorectal surgery.

The participants will have the opportunity to visit the monuments of Thessaloniki as well as to experience contemporary Greek culture.

We believe that the scientific program, which will include worldwide distinguished speakers, in combination with the traditional Greek hospitality, will make this Congress a rewarding and unforgettable experience.

We look forward to welcoming you in Thessaloniki in April, 2010.
