

GENERAL INFORMATIONS

CALL FOR ABSTRACTS

Deadline – April, 30 2012

Send your abstract to presentations@londoncolorectal.org

INSTRUCTIONS

- 1) Abstracts must be typed in English and saved in word with the body limited with 300 words (not including author information).
- 2) The text should be single spaced and written in point size 12, using Times New Roman font. The title should be concise and describe the research to be reported in point size 14 and be bold. Leave one blank line between the title and the name(s) of the author(s).
- 3) The author information should be bold in point size 12 and only includes:
 - (1) Name(s) should begin with full first name, middle initial and last name. Underline the name of the presenting author of the abstract; otherwise the first author will be taken as the presenting author. Degrees and titles are not required.
 - (2) Affiliation(s) should be annotated by superscript numbers. An acceptable structure of an abstract must consist of the following components.
 - a. Background: A statement of the hypothesis or research question.
 - b. Methods: An explanation of the study design and experimental methods used
 - c. Results: A concise summary of the major findings of the experiment or study. Sufficient data must be provided to permit evaluation by the reviewers and public reading the abstracts. Statements such as "the data will be discussed" are not acceptable. (It is only acceptable to insert ONE table or ONE figure in an abstract.)
 - d. Conclusion(s): Summary of the overall findings and the importance of the study.
