## Welcome

This year the International Society for Pelviperineology returns to Sydney for our Annual Conference from 10th to 13th October 2013.

The venue is Cliftons Conference and Training Centre at 60 Margaret Street Sydney. A new modern facility in the centre of Sydney that is only 2 minutes walk from Wynyard railway station. The city also offers several hotels within walking distance of the venue.

As usual, a number of local and international speakers will provide an update on the latest developments and controversies in pelvic medicine and surgery.

We hope to see you in Sydney. Visit the ISPP website at **www.pelviperineology.com** for further information and to register online.

Giuseppe Dodi ISPP President

## **Sydney Harbour Cruise with Luncheon**

End your conference experience in style with a relaxing cruise on Sydney's renowned harbor. This social event is the perfect finale to a memorable visit to Sydney.

## **Post Conference Cadaver Workshop**

Join renowned international experts for a small group hands on training session in advanced pelvic surgery. Numbers are restricted so book early to secure your place
