First Annual Meeting

European Society of Coloproctology - ESCP

Lisbon, Portugal | 13-16 September 2006

Preliminary Reply Slip

Lisbon

The capital of Portugal since its conquest from the Moors in 1147, remains the only European capital on the Atlantic Coast and is a legendary city with over 20 centuries of History.

Radiant skies brighten the monumental city, with its typical tile covered building façades and narrow Medieval streets, where one can hear the fado being played and sung at night.

Lisbon is also the stage for popular festivities, the place for exquisite shopping exciting nightlife and interesting museums.

Congress Venue

The meeting will be held at the Lisboa Congress Centre just 10 minutes by bus or taxi from the city centre and where the majority of the main hotels are located.

Overlooking the Tagus River in a prestigious area of the city of Lisbon (Belem quarter), the Lisboa Congress Centre is also no more than 20 minutes transfer time from Lisbon International Airport.
