

Caro Presidente,
Cari Soci ed Amici,

desidero riproporre la mia candidatura come membro del Consiglio Direttivo S.I.C.C.R. per il biennio 2021-2023 nell'osservanza delle direttive dello Statuto Societario, Codice Etico e regole riposte all'art 8.

Questi ultimi 2 anni, complessi e faticosi, sono stati allo stesso tempo entusiasmanti.

Infatti, nonostante le numerose difficoltà legate alla pandemia da COVID-19, la Nostra Società è riuscita a mantenere un elevato livello di produzione scientifica con pubblicazione di trials ed organizzazione di webinar/eventi ibridi. Tale risultato è stato raggiunto grazie al lavoro di gruppo ed al coinvolgimento attivo di tutti i Soci.

Con l'auspicio di migliorare ulteriormente i risultati raggiunti e perseguire nuovi traguardi, i progetti sui quali vorrei concentrare l'attenzione sono i seguenti:

- 1) Incrementare il coinvolgimento dei giovani chirurghi coloretali italiani nella vita societaria;
- 2) Implementare il training nei centri di riferimento societari e farli diventare una rete di scambio di esperienze e conoscenze a disposizione di tutti Soci;
- 3) Potenziare i rapporti con le Società Chirurgiche di riferimento e con la Società Europa di Coloproctologia (ESCP);
- 4) Aumentare la qualità e la quantità della produzione scientifica allargando ulteriormente la partecipazione a tutti coloro che vorranno impegnarsi

Ho individuato questi pochi punti concreti da cui partire per sviluppare altre attività quali il fundraising o un nuovo slancio nell'organizzazione di eventi che ci sono mancati impedendo un aspetto che è fondamentale nella crescita di una Società Scientifica, ovvero il confronto. Certamente nel prossimo futuro rimarranno le formule che abbiamo sperimentato in questi mesi ma anche quest'ultime dovranno migliorare e diventare opportunità.

Vi ringrazio per la fiducia che vorrete accordarmi

Cordialmente

Catanzaro, 20/09/2021

Dr. Gaetano Gallo
