

08.00 - 08:25 Registration & Coffee

08:25 - 08:30 Welcome

08:30 - 09:45 Colon Cancer Session

Moderators:

- Transverse colon cancer - What is the correct surgical approach. *Prof. Rodrigo Perez, Sao Paulo, Brazil*
- FOXTROT strategy is the right way to go for advanced colon cancer. *Paul Ross, London, UK*
- Tailored adjuvant immunotherapy - Where is the role in colon cancer? *Sheela Rao, London, UK*
- Colon Cancer. Predictive factors of local recurrence and what can we do to prevent them. *Paris Tekkis, London, UK*
- Questions & discussions

09:45 - 10:45 Debate Session I (Colon Cancer)

Moderators: tbc

- Complete mesocolic excision and central vascular ligation is this an overkill? *Nasser Alsea, Saudi (overkill) vrs Junji Okuda, Osaka, Japan*
- Robotic right colectomy with intracorporeal anastomosis - time to retire your laparoscope or is this an overkill? *Philippe Rouanet, Montpellier, France (For) vrs Francis Seow-Choen, Singapore (Against)*

10:45 - 11:15 Coffee Break

11:15 - 12:30 Innovations & New Concepts in Colorectal Surgery

Moderators:

- Robotic artificial intelligence from Senhance - *tbc*
- Existing robotic platforms, suitable for colorectal surgery - *tbc*
- Artisanal 'Articulation in Your Hands' - *tbc*
- Natural Orifice Specimen Extraction Surgery (NOSES) - An update. *Joaquim Costa Piera, Braga, Portugal*
- Non-invasive vagus nerve stimulation to reduce ileus after colorectal surgery - *Stephen Chapman, Leeds, UK*
- Questions & discussions

12:30 - 13:00 State of Art Lecture I

Moderators:

taTME - Dead or Alive. My perspective on the future - *Steve Wexner, Weston, Florida,*

13:00 - 14:00 Lunch

14:00 - 14:30 The Fillor (Phi) Caushaj Oration:

Moderators: Joseph Nunoo-Mensah & Ric Fortunato

Scientific Research & Surgery: A Tragic Opera - *Pascal Gervaz, Geneva, Switzerland*

14:30 - 15:45 The Holy Grail to Prevent Anastomotic Leaks: Let's Keep Looking, It Is Not The Stapler Or Is It?

Moderators:

- Why does my anastomosis leak? *Fiona Taylor, London, UK*
- What can I do to prevent it? *Kristen Rumer, Rochester, USA*
- Whatever the cause, I do not appear to be able to do anything about it. But how do I know if I have a leak? *Luai Ashari, Riyadh, Saudi Arabia*
- Okay, Okay, Okay I have a leak. What do I do about it? Any thing new. *Glenn Ault, Los Angeles, USA*
- Questions & discussions

15:45 - 16:00 State of Art Lecture II

Indeterminate Colitis. Is it Crohn's disease or ulcerative colitis? I know what it is.

Amosy E. M'Koma, Nashville, USA

16:00 - 16:30 Coffee Break

16:30 - 17:00 Inflammatory Bowel Disease Session - Where the gastroenterologist & surgeons meet!

- Fistulizing Crohn's disease: what physicians can do to close the hole? *Sami Hoque, London, UK*
- Segmental colectomy in ulcerative colitis - is there a role? *Justin Davies, Cambridge, UK*

17:00 - 18:00 Debate Session II (Inflammatory Bowel Disease)

Moderators:

- It is safe to operate with biologics on board. *Alison Hart, London, UK (For) vrs James Kinross, London, UK (Against)*
- Crohn's Disease. Close bowel resection or extensive mesenteric resection. *Janindra Warusavitame, London (For) vrs Charles Maxwell Armstrong, Nottingham, UK (Against)*

18:00 - Close

18:45 - 22:00 Conference Drinks & Dinner - Level 8 North & South Bush House
(All invited. Tickets Available)

08.00 - 08:40 Registration & Coffee

08:40 - 08:45 Welcome

08:45 - 11:00 Rectal Cancer Session

Moderators:

- The Rectal Cancer Conundrum 'Modernization of the TNM Staging System' *Ric Fortunato, Pittsburgh, USA*
- Predictive factors of local recurrence and tailoring MRI evaluation - *Gina Brown, London UK*
- Tailored management of rectal cancer (TNT): a new paradigm RAPIDO, PRODIGE, OPRA on cancer treatment, *Rob, Glynne-Jones, London, UK*
- Management of early rectal cancer. Is there a new paradigm shift? *Simon Bach, Birmingham, UK*
- Surgical option for a reduction in permanent colostomy in low rectal cancer? *Philippe Rouanet, Montpellier, France*
- Tumour regrowth after an initial complete clinical response in rectal cancer - The Achilles heel of Watch and Wait? *Prof. Rodrigo Perez, Sao Paulo, Brazil*
- Modern Management of Locally Advanced Recurrent Rectal Cancer - A Multidisciplinary Approach. *Eric Dozois, Rochester, USA*
- Questions & Discussion

11:00 - 11:30 Coffee Break

11:30 - 13:00 Continence/Sexual Functional Session

Moderators:

- Functional outcome after surgery for rectal cancer. *Mark Gladman, London, UK*
- Sexual and urinary functional after rectal cancer treatment and the role of rehabilitation. *Jean Jacques Tuech, Rouen, France*
- LARS. Is there a role for neuromodulation? *Julie Cornish, Cardiff, UK*
- Impact of pelvic floor prehabilitation using biofeedback therapy on the severity of low anterior resection syndrome. *Emilie Duchalais, Nantes, France*
- Prevention is better than cure. Pelvic intraoperative nerve monitoring and functional outcome. A new technology for nerve monitoring during low anterior resection - *tbc*
- Questions & Discussion

13:00 - 14:00 Lunch

14:00 - 14:15 State of Art Lecture III

Human factors in high-risk industry - *Steven Yule, Edinburgh, UK*

14:45 - 15:15 Best of 6 Research Papers - Podium Presentation

15:15 - 16:30 Miscellaneous Session

Moderator:

- The painful bottom - Proctalgia beyond the classical abscess, fissures, and haemorrhoids - *Charles Knowles, London, UK,*
- Presacral Tumors: Recognition, Evaluation and Technical Consideration. *Eric Dozois, Rochester, USA*
- High grade AIN (AIN 3) - Don't panic! What to do. *Ermannel Cavazzoni, Perugia, Italy*
- Algorithms in the non-operative management of anal fissures - *Audrius Dulkas, Vilnius, Lithuania*
- Patient selection and operative techniques for anal fissures - *Mario Trompetto, Vercelli, Italy*

16:30 - 17:30 Video Debate Session

Moderator:

- Indocyanine green (ICG) enhanced fluorescence - *Rakesh Bhardwaj, Dartford, UK (For ICG) vrs (no ICG) George Reece, London, UK*
- Colonic pull-through and delayed coloanal anastomosis (DCAA) vrs. stapled/hand sown anastomosis +/- diverting stoma anastomosis for low rectal cancer *Francisco Francisco Bianco, Italy (Pull through) vrs Francesco Di Fabio, Basingstoke, UK (No-pull through)*

17:30 - 17:40 Close

17:40 - 19:00 Cheese & Wine Reception - All invited

DDCRS

MAIN CONFERENCE PROGRAMME

13-14th January 2023

Bush House, 30 Aldwych

London, WC2B 4BG
