

Lettera di Candidatura per Consiglio Direttivo SICCR
Paola De Nardi

Colleghe e Colleghi,

la mia candidatura al Consiglio Direttivo SICCR nasce dalla volontà di proseguire il lavoro svolto per la Società dalla sua fondazione, sia come socio ordinario, sia rivestendo importanti cariche societarie (responsabile di commissioni, membro del CD, vicepresidente). Queste funzioni mi hanno dato l'opportunità di conoscere a fondo non solo le dinamiche societarie, ma anche molti colleghi e le loro attività specifiche.

I miei obiettivi si possono riassumere in tre punti:

Attività scientifica: assieme alla attività formativa è il fine prioritario della Società. Intendo promuovere studi multicentrici, stesura di linee guida e aggiornamento di quelle già esistenti (che molti riconoscimenti hanno ricevuto a livello internazionale), progettazione di registri clinici per patologia, collaborazione con altre società scientifiche di settore.

Inclusione: intendo stimolare e favorire la partecipazione attiva di un maggior numero di soci, in base ai propri interessi, attitudini ed esperienza, alle attività societarie. Vorrei che il lavoro delle commissioni e delle sezioni specialistiche, i meetings nazionali e regionali, gli studi multicentrici, le attività delle UCP, e anche le iniziative più informali come il journal club regionale fossero condivisi dal maggior numero possibile di soci. Inoltre intendo favorire, all'interno della Società, maggiori ruoli di responsabilità delle donne.

Sostenibilità: mi prefiggo di promuovere iniziative volte a valutare la sostenibilità ambientale ed economica delle nuove tecnologie, che deve andare di pari passo con l'efficacia, la qualità, e la sicurezza. Ho a cuore la sensibilizzazione di tutti i chirurghi e soci sui temi ambientali, sui rapporti costo/beneficio intesi non solo come costo economico ma anche come attenzione all'ambiente promuovendo, nella quotidianità, atteggiamenti più "green" dei chirurghi coloproctologici italiani. Vi ringrazio per la fiducia che vorrete accordarmi

Paola

CURRICULUM VITAE

Paola De Nardi
