Bari, 28/09/2023

All'attenzione del Presidente SICCR, dr. Francesco Bianco e del Segretario, dr. Gaetano Gallo,

con la presente ripropongo la mia candidatura al Consiglio Direttivo per il biennio 2023-25, con l'intendimento di continuare a lavorare attivamente per l'affermazione del ruolo sempre più importante che le società scientifiche, ed in particolare la nostra, debbano svolgere in questo momento così delicato, in cui la crisi sanitaria ha reso più difficile l'insegnamento e la pratica medica nelle sedi istituzionali, nonostante il grande impegno dispiegato da tutti i colleghi universitari ed ospedalieri. Il potenziamento delle attività didattiche teorico-pratiche, il maggiore coinvolgimento in progetti di ricerca e studi clinici dei soci tutti, con particolare attenzione ai più giovani, nonché le attività di promozione di percorsi diagnostico-terapeutici comuni su tutto il territorio nazionale, da implementare con un numero sempre maggiore di eventi regionali, mi sembrano le direttive strategiche nelle quali impegnare le nostre migliori risorse professionali ed umane.

Con l'auspicio di continuare a lavorare insieme con sempre maggiore entusiasmo ed impegno.

I più cordiali saluti

Marcella Rinaldi
